FAQs

HOW DOES GOLFING WORK IF I BOOK AN EVENT?

Every paid member in your group will have unlimited access to either one of our (18) hole courses to play as much as they'd like for the duration of the event. We do not block off the entire course for your group and there are no tee times, or reservations to start needed!

WHERE IS THE RESERVED SPACE?

Events are held in our Private Event Space in our 2nd floor container.

WHAT IF I DON'T KNOW MY EXACT HEADCOUNT?

We use an estimated headcount for your event contract. You can update your headcount as needed up until 48 hrs before the event start time, as long as you do not go below the package minimum guest count.
